Welcome to Regent Street Motors & Gas Conversions Oakleigh, your complete motor vehicle repair and gas conversion centre.

Established in 1986 we are a family owned and operated business with 23 years of experience and expertise plus an extensive wealth of technical and product knowledge.

As members of the VACC and AAFRB accredited, you will have peace of mind knowing that your vehicle is in good hands. Our highly trained and qualified technicians will ensure that your vehicle is repaired and maintained to the correct manufacturers specifications.

Our friendly staff are dedicated to ensuring that you experience the highest levels of customer satisfaction.

Regent Street Motors & Gas Conversions Oakleigh is conveniently located close to Oakleigh Central Shopping Centre and short walk to the Oakleigh railway station, we can even service your car while you are having a coffee. If you can't wait, we can provide you with a free loan car if available on request.

Offering more than gas conversions, Regent Street Motors & Gas Conversions specialise in mechanical repairs, LPG repairs and vehicle servicing. You can look upon us your 'One Stop Shop'.
