Fair Market Value

The **Melbourne Trader** encourages sellers to be realistic in setting the selling price of goods.

➔ **PC - PERFECT CONDITION.** About 3/4 of the original market price.

➔ **EC - EXCELLENT CONDITION.** or **VGC - VERY GOOD CONDITION.** About 2/3 of the original market price.

➔ **GC - GOOD CONDITION.** About 1/2 of the original market price.

➔ **FC - FAIR CONDITION.** about 1/3 of the original market price.

If the advertised price is consistent with fair market value, a quick sale is more likely to result. If there is no response to the ad, the price should be significantly reduced - so please re-submit an amended ad. Virtually anything can be sold at the right price.
